

How do I add the expected delivery date to an order line?

1. Open a purchase order.
2. Open the **Suppliers** tab.
3. Scroll to the right and click the cell **Delivery Date** for the required part.
4. Select a date.

The screenshot shows a software interface with a table. The table has columns labeled 'cy', 'Delivery Date', and 'Comment'. The 'Delivery Date' column is highlighted, and a date picker is open. The date picker shows a calendar for March 2023. The date 22 is selected. The date picker also shows the days of the week (SU, MO, TU, WE, TH, FR, SA) and the month/year (March 2023).

cy	Delivery Date	Comment
