How do I change the exchange rate in an order?

1. Open a purchase order.
2. Select the desired order line and click on the 3 dots (...)
3. Click on **Select currency...**
4. Select the desired currency.
5. Open the tab **General**.
6. You can now change the exchange rate for this order. The exchange rate as configured in MXSuite module Administration is used by default.
7. Click on **Save as draft**.
