

# How can I check the synchronisation?

- 1. Go to the module **Synchronisation**.
- 2. Select the location.

The info block displays the information regarding the synchronisation of the most recently sent packages.

◆ Data synchronisation

◆ Documents synchronisation

Locations: Mastex Trader

Info

Status: Waiting for package from vessel.

Last package send: 03/11/2022 16:02:21
